#### **2 Verify posting of meeting**

---

The Affidavit of Posting was supplied to the town board.

---

#### **3 Discussion and possible action on approving the process of filling the vacant Supervisor II seat**

---

Neal Czaplewski won both the chairman and Supervisor No 2 races in the Spring Election held on April 1, 2025. He accepted the role of chairman.

The board discussed the possible options of filling the seat, which are leaving the seat open until the next spring election, appointing someone or holding a special election. The board further discussed what the process would look like if someone is to be appointed.

Public comments on the topic:

Steve Swantz, 6641 Brever Road –stated that he is interested in the office.

Jake Isaacson, 28720 Karcher Road – would like to see someone appointed and not left open or hold a special election.

Vicky View, 1322 S Teut Road – talked about previous times when the board used the application process to fill a vacancy.

Ric Isaacson, 28800 Karcher Road – stated that the board is an elected position and other town positions are appointed, therefore the application and interview process could look differently.

There was a consensus to proceed with an application process with a deadline for submission of May 5, 2025. Candidates are encouraged to attend the May 8, 2025, meeting to answer any questions.
