A special meeting August 17, 1939, at the Town Hall in the City of Burlington, was called to order by Chairman Wm. Robers. The Town Board of the Town of Burlington and petitioners of Park Street and Grove Street at Bohners Lake were present.

The two petitions of the petitioners that were filed on August 10, 1939, were read by the Clerk.

Alex Baumeister presented a resolution as follows:

Whereas, you have before you a duly filed petition of nine free holders of Summer Haven, a duly accepted plat which was recorded Jan. 31, 1912, to maintain Park street as part

of township roads,

Now, be it resolved as the public has used all or in part said Park street for at least 20 years, and by no order from town or court has any part of Park Street ever been vacated,

And as Park street has been placed on gas mileage in December 1938 is classed as income for highways in said town for 1939,

Now be it resolved that the petition has no purpose at this time.

also, be it resolved that the town board shall cause all obstructions to be removed by due process of law.

On motion by Alex Baumeister and seconded by Bernard Ahler it was agreed to accept Grove Street in Bohners Lake Resort as a public highway.

At the regular meeting of the Town Board of the Town of Burlington, called to order by Chairman Wm. Robers; Bernard Ahler, Vern Robers, Alex Baumeister, and Clarence Kornhoff were also present. The minutes of a Special Meeting, August 17, 1939 were read.

Supervisor Baumeister realised the point that the minutes as read were not correct in so far as they related to the action taken on the resolution introduced by him. Mr. Baumeister claimed that the resolution was adopted by the board and that the minutes should so read.

Matter discussed. Supervisor Ahler stated that he moved the adoption of the Baumeister resolution at the meeting, and that the resolution was actually adopted.

Mr. Baumeister moved, seconded by Mr. Ahler, that the minutes of the meeting of August 17, 1939, be amended and corrected to show that the resolution of August 17, 1939 was adopted by the board.

The question being presented by the chairman as moved, both Baumeister and Ahler voting Aye, the motion was declared carried, and the clerk was directed to correct the minutes.

Further discussion regarding the meaning and intention of the resolution passed by the board was had at this meeting. Mr. Baumeister stated that it was his intention and understanding when he introduced the resolution to declare by said resolution that action on the part of the board upon the petition for the opening of Park Street in Summer Haven was unnecessary. That he, and the other members of the board considered that Park Street was already a public street as it had been measured for county and state aid and was being used and worked as a public street. Mr. Baumeister stated he understood that in passing the resolution the board voted to deny or turn down the petition. Mr. Ahler and Mr. Robers expressed themselves as being of the same opinion.

Mr. Baumeister moved that the discussion had by the board be incorporated in the minutes to clarify the meaning and intention of the board in acting as it did at the meeting of the 17th of August 1939, and in correcting the minutes at this meeting.

On motion of Alex Baumeister, seconded by Mr. Ahler, Mr. E. John Wehmhoff, attorney was directed to appear for the board and the town in the matter of the appeal of Mr. Thompson, and to take such action on behalf of the board and the Town of Burlington, as necessary to take care of the Town's interests. Motion carried.

The minutes of a Special Meeting, August 22, 1939, were read. A motion by Alex Baumeister and seconded by Bernard Ahler that the minutes be approved with the corection that the sign read "Drive slow 700 ft. to end of road" instead of "700 ft. to end of road".

On motion by Bernard Ahler it was agreed to accept all bills presented and orders drawn with the exception of the Elcho tuition bill which will be considered at a future meeting:
